Re: FPPC Case No. 12/517; Arthur J. Faro

Dear Mr. Faro:

The Fair Political Practices Commission has initiated an investigation into whether you violated the Political Reform Act's conflict of interest prohibitions with regard to establishing business relationships between Sequoia Healthcare District and United American Bank and Wells Fargo Bank. At this time, we have not made any determination. We are simply providing you with this information and may be contacting you again to discuss this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary S. Winuk".
